

# SHASTA COUNTY FIRE DEPARTMENT TRAINING BUREAU

CAL FIRE/SHASTA COUNTY FIRE DEPARTMENT  
COOPERATIVE FIRE PROTECTION  
SINCE 1980

## S-130 FIELD DAY EXERCISE

This course is designed to give the student hands on training to learn the essential skills, obtain the required knowledge and abilities to perform in the wildland fire environment as a Volunteer Firefighter with Shasta County Fire Department or Firefighter with a Fire Protection District. This course also addresses the universal wildland firefighting skills which have been covered in Modules 1-11. After completion of the S-130 Field Day Exercise, students will be issued two certificates; NWCG S-130 Firefighter Training and NWCG L-180 Human Factors in the Wildland Fire Service. **This course and Field Day is one of the required components for the "Red Card" process as a Firefighter Type 2**

### SCFD PERSONEL PROCEDURES

SCFD students enrolled in the course will need to send in record of completion for S-130 Modules 1-11 to the CAL FIRE/SCFD Training Bureau by the date as identified on the course flyer. Appropriate Wildland Personal Protective Equipment (PPE) is required for the course. Students must provide their own lunch and drinking canister. Drinking water refills will be provided.

### FIRE PROTECTION DISTRICT PERSONEL PROCEDURES

Fire Protection District students enrolled in the course will need to send in record of completion for S-130 Modules 1-11 to the CAL FIRE/SCFD Training Bureau by the date as identified on the course flyer. Appropriate Wildland Personal Protective Equipment (PPE) is required for the course. Students must provide their own lunch and drinking canister. Drinking water refills will be provided.

### ONLINE COMPONENT INSTRUCTIONS

Create an account on NFA Online, link below. Register as new user (Record your Sign In information for future courses). You will need FEMA SID# to complete online registration. After completing registration, you will need to wait until the top of the hour to browse online catalog. Type "S-130" in the search bar. S-130 online component will appear and add to "to-do-list". Select "S-130" course on to-do-list, complete all modules. Print out completion certificates for modules 2-12 and submit to training office.
